EDEN PRAIRIE, design your own football jersey, Minn. – After the initial news sank among your first thought was probably this: Why did Minnesota Vikings receiver Sidney Rice have hip surgery eight months next suffering the injury? A few of us peppered coach Brad Childress along those same lines Tuesday after practice and here is my understanding of the organization's response: The team originally deemed the injury as something that would heal on its own. "You basically believed that it was going to rectify itself, authentic NFL jerseys, NBA replica jersey, authentic college football jersey," Childress said. "We obviously didn't see enough" to indicate immediate offseason surgery was necessity [+]. You could too memorandum that Rice has been rumored to be unhappy with his contract, and wonder whether the timing of his surgery wasn't associated. In other words: When Rice accomplished the Vikings weren't going to give him an extension subsequently his 2009 Pro Bowl daily he determined against playing surrounded pain and/or putting himself in a situation where he couldn't generate the same statistics he did last season.
